

752 MLK Jr Blvd (Historic Airport Rd)  
Next to Foster's Market & Flying Burrito  
Chapel Hill, NC 27514 919.942.7373

## Book Club Info Sheet

**We offer a 20% discount to Book Club members  
on the books they register with us:**

To enroll, please:

- Email or drop off your book club's reading list at least 3 weeks in advance of when members will start reading it
- Include the book club's name and a contact person's email address or phone number and the number of members
- We will always order the paperback if it is available, please indicate if your club does not want hardcover editions. Often we can advise when the paperback is out and all you have to do is shuffle the reading order.
- If a book is not yet published or Out of print we will let you know as soon as possible.
- Please call, email or stop by for reading group suggestions. We're happy to give you our recommendations, that's what we're here for!

The Fine Print:

- Groups of 4 or more with regular discussions are considered a book club
- Members must identify themselves at checkout to receive discount
- Discount will be discontinued at the end of that book's discussion month
- We order books for 80% of the members, allowing for some members who already have the book or are using the library. Please let us know if everyone is planning on buying the book at Flyleaf and we'll set them aside for each of you.
- Thanks for your business!
